

Breath of Fresh Air Awards

Group members attended the British Lung Foundation Regional Conference in Nottingham last year and were awarded with awards for outstanding group contributions and 10 years service. Breathe Easy Cannock was commended for donating £5,500.00 to the BLF during the financial year of 1st July 2007 to 30th June 2008; this figure was the highest amount raised within the Midlands region submitted during this year. All of this money was used towards helping to provide BLF nurses for end of life care and helping to establish more resources for families with children who suffer breathing difficulties.
