

## Bereavement Counselling

It is an inevitable part of life that we must all face death at some point. It can sometimes be very difficult to accept the fact that someone very close to you has died. Bev Jones is at college studying towards a degree in counselling and also does voluntary bereavement counselling for the two different charity organisations she works for. If anyone is finding it difficult to come to terms with the loss of a loved one, regardless of when that occurred, Bev is willing to try to help them through their difficult time. All discussions with her will be treated with the utmost sensitivity and confidentiality is assured at all times. If you would like to talk to Bev she can be contacted on 07771757906

## Donations

Thank you Betty Evans: £7.70 from her collection tin of 1p and 2p's.

We had a lovely card from Pat Pennington thanking us for the newsletter. She was saddened to hear of the death of Mary O'Reilly. She said Mary was a lovely lady, and enclosed a cheque for £10.00 to Breathe Easy in her memory. Pat sends her condolences to Liam.

Air Products have kindly sent us £50.00 for a M&S voucher for our 10<sup>th</sup> Birthday Ball.

### **BRITISH LUNG FOUNDATION**

We have sent £1,400.00 to The BLF to be split between research and nurses.
