Do you have any contribution for our website or newsletter? We are always delighted to hear from you. Maybe you know someone who could come along as a guest speaker, or do you have any suggestions about group activities?

If so please contact:

Jasmine Smith
24 Huntsmans Walk
Rugeley
Staffordshire, WS15 2SN
Telephone 01889 585056
Or email: Jasmsmi@aol.com

Our primary aim is to provide support for all local people suffering from any lung condition (this is extended to their family & carers). We also issue information, provide equipment (where possible) and hold fun events. Our members have a wide variety of problems including Asthma, Bronchitis, Bronchiectasis, Emphysema, COPD, Fibrosing Alveolitis, Sarcoidosis, Sleep Apnoea and Cystic Fibrosis to name but a few.

We can put you in touch with friendly people with conditions similar to your own & provide an empathetic ear to those who are isolated or housebound.

The money that we at Cannock and Stafford Breathe Easy raise goes towards equipment for sufferers in our area & also to the British Lung Foundation for world-class medical research to hopefully find solutions to all lung diseases.

We meet in the Davy Unit within Cannock Hospital from 7pm on the second Monday of each month (except September). If you have trouble getting to our meeting, it may be possible to arrange transport for you. We are only a phone call away.

BABY BREATHE EASY

Baby breathe easy is a pilot scheme funded by the BLF offering support to parents & carers of children aged 0-5. Our nearest group is based in Stoke. Their group leader, **Hannah Taylor** is willing to offer help to anyone within our area.

For more info contact her on **07974575237**
