

IN MEMORY

It is with great sadness that we regret to inform you of the loss of two very dear, long-standing and proactive members; Liam O'Reilly and Florence (Flo) Wittington.

Liam will always be remembered for his Irish sense of humour; he was always good for a laugh. He enjoyed the meetings and always managed to crack a joke no matter how he was feeling. Liam loved doing car boot sales and donating the proceeds to Breathe Easy. Between them he and his family raised thousands of pounds doing a variety of different activities. BLF was a charity that had always been very close to Liam's heart.

Flo was also a very active member of Breathe Easy. She regularly attending meetings and went on day trips. She immensely enjoyed socialising and meeting new people. She always greeted new members with a friendly smile, took the time to get to know them and made them feel welcome. She put a lot of time and effort into charity activities. For her 80th birthday earlier this year she held a coffee morning (which lasted all day) and donated all the money raised to Macmillan Cancer Research.

She was a very close friend to her sister-in-law Margaret who, along with Flo's daughter Justine and grand-daughter Carla, attended our November meeting and presented us with donations amounting to £410.37. The same amount was also donated to the hospice that cared for Flo.

Liam and Flo were special people who were greatly loved; they will both be very sadly missed.

Agenda for Future Meetings
