DONATIONS TO BLF

In July we donated £2,000 to BLF. This money goes towards the provision of BLF nurses for end of life care and supporting BLF kids. We would like to thank every one who has contributed towards this donation and for their continuing support.

WELCOME

We would like to welcome two new members of staff at the Midlands Regional Office in Leicester.

The new Midlands Support & Development Manager is Jeremy Bacon; he will be supported by Emma Holowechyj, the Midlands Regional Development Officer.

We wish them both all the best in their respective roles and we look forward to welcoming them both to one of our group meetings soon.

A Local Network Group Meeting will take on Monday 30th June at Rising Brook Baptist Church, Stafford. The agenda consists of an update from each Breathe Easy Group, a chance to meet the new members of staff at head office where they will give an account of Midlands Regional Support now and in the future followed by questions. If anyone is interested in attending please let Jas know as soon as possible in order to reserve places as these are limited.

The BLF are holding one day conferences throughout England for anyone affected by lung disease and their carers. A fee of £5.00 is charged which contributes towards lunch and refreshments provided on the day. The Midlands region event will be held in Nottingham on Thursday 25th September. As with above, places are limited therefore if anyone is interested a booking form is available from Jas.
