

IN MEMORY

It is with great sadness that we regret to inform you of the loss of three of our members.

Mrs Beryl Heeley

Mrs Margaret Saxon

Mr Gerald Birchall

Our thoughts are with their family and friends at this sad time.

Our group want to purchase a laptop, projector, screen and camera. Following on from the success of our visit to Kingsmead we want to visit other schools and promote the work of our group. Also group members would benefit as we may be able to attract a different variety of speakers if we were able to provide such equipment. Furthermore, we could produce our own presentations and deliver them to our own members as well as various community groups.

With all of this in mind Bev sent out grant appeals to 40 local councillors in February asking them for a £50 contribution towards the purchase of this equipment.

We are absolutely delighted to inform you that in April we received confirmation from the council that a total of £875.00 was donated collectively from some of those whom Bev contacted.

We are currently in the process of purchasing this equipment and will be starting to produce presentations soon.

Jas has been asked to go to Stafford Hospital on 3rd July to give a talk to the Respiratory Link Nurses about aspects of her life and illness. This will give us the chance to give the equipment its first run out.
