

British Lung Foundation Regional Conference

We have been asked to do a PowerPoint presentation on fundraising at two British Lung Foundation Regional Conferences. The first is in Mansfield on Tuesday 22nd September followed by Leicester on Thursday 24th September. Jas and Bev will give a presentation showing various ideas our group has had for fundraising as well as detailing how those ideas were implemented and report on the results of the actual events.

Group members are welcome to attend the conferences; we may be able to provide transport. If you would like to attend either of these conferences please let Jas or Bev know as soon as possible.
